1. INTRODUCTION

The Public Service Sector Education and Training Authority (PSETA) is a Sector Education and Training Authority (SETA) established in terms of section 9(1) of the Skills Development Act 97 of 1998 as amended and is classified as a National Public Entity under schedule 3A of the Public Finance Management Act, 1 of 1999.

This document outlines the terms of reference for the appointment of a service provider with proven experience and specialization in the development of occupational qualifications.

2. OBJECTIVES OF THE ASSIGNMENT

The purpose of this Request for Proposal (RFP) is to solicit proposals from potential bidder(s) for the provision of travel management services to PSETA.

This RFP document details and incorporates, as far as possible, the tasks and responsibilities of the potential bidder required by PSETA for the provision of travel management services to PSETA.

This RFP does not constitute an offer to do business with PSETA, but merely serves as an invitation to bidder(s) to facilitate a requirements-based decision process

3. SCOPE OF WORK/SPECIFICATION

The travel requisition process is currently an automated process. The PSETA end-user will capture a travel request on the SCM system. The SCM dept. will first check the request for completeness and dates of travel/accommodation. The SCM dept. will then forward the request to the TMC via the SCM system. The TMC will then respond with 3 quotations from different companies. The SCM official will then choose 1 quotation and inform the TMC via the SCM system. The TMC will then send their quotation to the SETA with dates and amounts for travel/accommodation and service fees. The requisition will then go through an automated approval workflow process. After the requisition has been approved the SCM System will then generate a Purchase Order that has to be approved by the CFO. The SCM official will then forward Purchase Order Number to the TMC. On receipt of the order number, the TMC will then issue an itinerary/travel voucher through email.

PSETA's primary objective in issuing this RFP is to enter into agreement with a successful bidder(s) who will achieve the following:

- a) Provide PSETA with the travel management services that are consistent and reliable and will maintain a high level of traveller satisfaction in line with the service levels;

- b) Achieve significant cost savings for PSETA without any degradation in the services;
- c) Appropriately contain PSETA's risk and traveller risk.
