1. PURPOSE

- 1.1 The appointment of a service provider to conduct the financial audit of the Global Environment Facility (GEF) funded project, the Capacity Building Initiative for Transparency (CBIT) project of South Africa, for a period of twelve (12) months.

2. INTRODUCTION AND BACKGROUND

- 2.1 In line with Decision 1/CP.21 of the Conference of the Parties to the United Nations Framework Convention on Climate Change (UNFCCC), the Paris Agreement was adopted to enhance the implementation of the Convention including strengthening the global response to the threats of climate change. South Africa ratified the Paris Agreement in October 2016. The Paris Agreement officially came into force in November 2016 and its implementation started on the 1st of January 2021
- 2.2 Among the decisions that give effect to the Paris Agreement, is to report in line with the Enhanced Transparency Framework of the Paris Agreement on policies and measures that Parties are undertaking to implement their Nationally Determined Contributions (NDCs) as well as information on support provided, needed, and received. NDCs have countries' self-determined targets for mitigation and adaptation to meet the objectives of the Paris Agreement. For South Africa to be able to comply with the Modalities, Procedures, and Guidelines (MPGs) of the ETF, it needs to build institutional and technical capacities within the country so that all mitigation and adaptation sectors will have expertise on how to monitor, assess, and evaluate progress in implementing their policies and measures and share the relevant data with DFFE as the coordinating entity.
- 2.3 The Capacity Building Initiative for Transparency (CBIT) was established by the Global Environment Facility (GEF) to support Parties to comply with Enhanced Transparency Framework (ETF) requirements under Article 13 of the Paris Agreement. COP 21 decided that the aim of CBIT is to:
 - 2.3.1. Strengthen national institutions for transparency-related activities in line with national priorities.
 - 2.3.2. Provide relevant tools, training, and assistance for meeting the provisions stipulated in Article 13 of the Agreement; and
 - 2.3.3. Assist in the improvement of transparency over time.
- 2.4 South Africa is, therefore, in the process of building its capacities to prepare itself for the ETF. The CBIT project in South Africa is already under implementation. The CBIT project of South Africa as approved by the GEF is currently being implemented to comply with the following objectives as outlined in the CBIT Project Implementation Plan:
 - 2.4.1. To build an institutional arrangement that supports the operationalization of the Monitoring & Evaluation (M&E) System.

- 2.4.2. Conduct training programmes to build institutional engagement and staff capacities on Monitoring, Reporting, and Verification of climate action.
- 2.4.3. Implement a long-term capacity-building strategy on GHG Inventory and mitigation actions analysis at the national level; and
- 2.4.4. Training relevant entities on international MRV guidance.
- 2.5 Given the above, South Africa is in the process of implementing the CBIT project. The entire project is being funded by GEF using the United Nations Environment Program (UNEP) as the implementing agency. As per clause 34a of the Project Cooperation Agreement, the project must be audited on an annual basis. The implementation of the CBIT project started in June 2019 and it is to be completed by 31 May 2025. To date, the following annual audits have been completed: 1 June 2019 to 31 May 2020, 1 June 2020 to 31 May 2021 as well as 1 June 2021 to 31 May 2022. The service provider will conduct a maximum of 3 audits plus the three additional months, including 1 June 2022 to 31 May 2023, 1 June 2023 to 31 May 2024 as well as 1 June 2024 to 31 May 2025.

3. OBJECTIVES

- 3.1 The appointment of a service provider to conduct the financial audit of the Global Environment Facility (GEF) funded project, the Capacity Building Initiative for Transparency (CBIT) project of South Africa for a period of twelve (12) months. The auditing will also focus on verifying if the project was properly and officially closed in the end and submitting a report of factual findings about the procedures performed. The Auditors will be expected to review financial statements and issue an independent opinion.

4. SCOPE AND EXTENT OF WORK

- 4.1 The auditor will be responsible for, but not limited to the following assigned duties of the project as mentioned.
 - 4.1.1. Evaluation of the CBIT project implementation including performance in the procurement of goods, services, contract management, and closure.
 - 4.1.2. Monitor the effective use of financial resources and that expenditure incurred is reported accurately to UNEP as the implementing agency.
 - 4.1.3. Review and assess the financial and accounting systems used in the project, then recommend the appropriate financial methods where gaps exist; and
 - 4.1.4. Examine expenditure records; provide audit reports in formats provided by UNEP and comply with the requirements of the international accounting standards.

- 4.1.5. The audit will be carried out by the International Audit Standard and will include test and verification procedures.
- 4.2 The auditor will then be expected to provide audit and closure reports to the Department of Forestry, Fisheries, and the Environment.
- 4.3 The service provider should also ensure that the annual audit reports entail a recommendation report, which includes the following as appropriate:
- 4.3.1. Give comments and observations on the accounting records, procurement, systems, and controls that were examined during the audit.
- 4.3.2. Identify specific gaps in systems and controls and make recommendations for their improvement.
- 4.3.3. Report on the degree of compliance of each of the financial covenants in the financing agreement and give comments, if any, on internal and external matters affecting such compliance.
- 4.3.4. Communicate matters that have come to their attention during the audit which might have a significant impact on the implementation of the project.
- 4.3.5. Bring to DFFE and UNEP's attention any other matters that the auditor considers pertinent, including ineligible expenditures; and
- 4.3.6. The recommendation report should also include responses from DFFE to the issues highlighted by the auditor.
- 4.4 About the duration of the project, the service provider will be responsible for Two (2) annual audit reports covering the periods from 1 June 2022 to 31 May 2023, 1 June 2023 to 31 May 2024 as well as 1 June 2024 to 31 May 2025.

5. EXPECTED DELIVERABLES / OUTCOMES

- 5.1 Three (3) annual audit reports covering the periods from 01 June 2021 to 31 May 2022, 01 June 2023 to 31 May 2024 as well as 01 June 2024 to 31 May 2025. In addition to the audit reports, the auditor should also provide recommendations reports.
- 5.2 An inception meeting will be held within a month of appointment to outline the scope in detail, which will also serve as an engagement to perform agreed-upon procedures about financial reports.
- 5.3 The following deliverables will be expected from the service provider:
