CLARIFICATIONS

Query 1:

The CV template only accommodates 10 projects; how can bidders include information for other relevant projects?.

Response:

The limitation to 10 project fields does not limit bidders to 10 projects per category/sub-category.

Bidders can decide to list projects of a similar nature under one field. Bidders can also decide to group their projects per client in one field or per period. All bidders are required to comply with the same requirements in organising their information, and it must fit into ten fields.

There is no limit in space for characters per field

Important notice:

The bid closing date has been extended from 07 August 2025 to 12 August 2025.

New Bid closing date: 12 August 2025 11:00 am
