RE: INVITATION TO TENDER MPHEN10012GX

Dear Sir/ Madam

Kindly refer to the above subject.

- On 22 November 2021 Hendrina Power Station issued out an enquiry MPHEN10012GX to the open market for the ash handling plant maintenance at Hendrina Power Station for a period of 60 (sixty) months.
- The tender closed on 24 January 2022 at Eskom tender box in Smuts Avenue in Witbank.

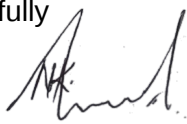

After careful deliberation, we regret to advise that Eskom Holdings SOC Limited would like to cancel the tender for the **ash handling plant maintenance at Hendrina Power Station for a period of 60 (sixty) months**. Due to the following reason/s:

- Enquiry has been cancelled without any award due to material irregularities.
- Eskom's intention is to re-issue the enquiry in due course on tender publication websites.

Eskom would like to take the opportunity to thank you for participation in the above.

The tender will be advertised with the same scope of work, technical evaluation criteria, SHEQ requirements and a change in the SDL&I requirements.

Yours Faithfully
