#	TENDER DOCUMENT REFERENCE	SERVICE PROVIDER QUESTION	ESKOM ANSWER
1	MWP3017CX	Pricing Schedule must be amended to also have a space for “Cleaning, removal of oil and chemical spills as and when required” and there will also be a revision or confirmation if only Holfontein Facility must be used or if they can use any accredited facility	The column for cleaning, removal of oil and chemical spills has been added.
2	MWP3017CX	kindly clarify on the Technical Criteria: “Experience on working with Oil Testers” elaborate is needed from the suppliers Do you require the supplier to test oil on site? Transformer or non-transformer oil?	This part is not on the technical criteria.
3	MWP3017CX	The Price list / BOQ does not mention anything about oil testing	Line 6 to 8 talk all about waste samples to be taken to the lab and that includes oil as well.
4	MWP3017CX	Kindly amend the BOQ	BOQ amended. Refer to Amended NEC.
