THE NATIONAL INDUSTRIAL PARTICIPATION PROGRAMME

INTRODUCTION

The National Industrial Participation Programme (NIPP), which is applicable to all government procurement contracts that have imported content, became effective on 1 September 1996. The NIP policy and guidelines were fully endorsed by the Cabinet on 30 April 1997. In terms of the Cabinet decision, all state and parastatal purchases / lease contracts (for goods, works and services) entered into after this date, are subject to the NIPP requirements. NIPP is obligatory and therefore must be complied with. The Industrial Participation Secretariat (IPS) of the Department of Trade and Industry (DTI) is charged with the responsibility of administering the programme.

1. PILLARS OF THE PROGRAMME

- 1.1 The NIPP obligation is benchmarked on the imported content of the contract. Any contract having an imported content equal to or exceeding US\$5 million or other currency equivalent to US\$5 million will have a NIP obligation. This threshold of US\$5 million can be reached as follows:
 - (a) Any single contract with imported content exceeding US\$5 million.
 - or

 - or
 - (c) A contract with a renewable option clause, where should the option be exercised the total value of the imported content will exceed US\$5 million.
 - or
 - (d) Multiple suppliers of the same goods, works or services under the same contract, where the value of the imported content of each allocation is equal to or exceeds US\$ 3 million worth of goods, works or services to the same government institution, which in total over a two (2) year period exceeds US\$5 million.
- 1.2 The NIP obligation applicable to suppliers in respect of sub-paragraphs 1.1 (a) to 1.1 (c) above will amount to 30% of the imported content whilst suppliers in respect of paragraph 1.1 (d) shall incur 30% of the total NIPP obligation on a *pro-rata* basis.
- 1.3 To satisfy the NIPP obligation, the DTI would negotiate and conclude agreements such as investments, joint ventures, sub-contracting, licensee production, export promotion, sourcing arrangements and research and development (R&D) with partners or suppliers.
- 1.4 A period of seven years has been identified as the time frame within which to discharge the obligation.

2. REQUIREMENTS OF THE DEPARTMENT OF TRADE AND INDUSTRY

- 2.1 In order to ensure effective implementation of the programme, successful bidders (contractors) are required to, immediately after the award of a contract that is in excess of **R10 million** (ten million Rands), submit details of such a contract to the DTI for reporting purposes.
- 2.2 The purpose for reporting details of contracts in excess of the amount of R10 million (ten million Rands) is to cater for multiple contracts for the same goods, works or services; renewable contracts and multiple suppliers for the same goods, works or services under the same contract as provided for in paragraphs 1.1.(b) to 1.1. Failing to comply in any manner with Health, Safety and Environmental and Security policies, procedures or protocols will lead to automatic cancellation of the Agreement without Foscok incurring any liability whatsoever. Access will only be granted for the time required to perform the Services. Should the Supplier or any of its Personnel access Foscok's premises, or any part thereof, without the necessary authority or at times not authorised, Foscok may terminate the Agreement immediately or impose such further requirements or restrictions on the Supplier's movement within the plant or operational area as deemed necessary to prevent unauthorised access, abuse of access or to prevent any harm that may have been caused by the Supplier or its Personnel by their conduct or presence.

Accordingly, in the event that the Supplier fails to meet a service level, then in addition to all other remedies available to Foskor in law, Foskor may, where agreed upon in the Agreement, recover the applicable Penalty or enforce any right as set out in the Agreement and in law.

8.4 In the event that Foskor is entitled to impose a Penalty under the Agreement and elects to enforce the Penalty, the amount of such Penalty shall be set forth as a deduction on the Supplier's next invoice. If there is no further invoice for the performance of Services in question, then the Supplier shall, at Foskor's election, either pay the amount of the Penalty to Foskor or provide Foskor with a credit note for such amount.

In the event that Foskor, following the resolution of the dispute, whether by negotiation or in accordance with clause 28, is found to be liable for the disputed amount, the maximum liability which Foskor may incur to the Supplier shall be limited to the payment of the amount so withheld, together with interest thereon at a rate equal to that of the prime rate from due date to date of actual payment, both days inclusive.
- 11.7 Any undisputed amount which is due and payable by Foskor to the Supplier, but unpaid may bear interest at a rate equal to that of the prime rate plus 2% from due date to date of actual payment, both days inclusive. The payment of interest as provided for herein shall be the limit of Foskor's liability to the Supplier for such unpaid amount and Supplier shall not be entitled to withhold the performance of the Services

where late payment by Foskop does not exceed 60 (sixty) days from date of receipt of the relevant invoice.

12 SUPPLIER'S STAFF

In the case of a material breach by Foskor, the Supplier shall be paid for work already performed (at the behest of Foskor) and signed off by Foskor in accordance with the Agreement up to date of termination. The aforementioned shall be the full damages which the Supplier shall be entitled to by reason of such termination and no other damages shall be claimable whatsoever.

25.2 If (i) a Causal Event occurs in respect of the Supplier or (ii) the Supplier fails to adhere to any legal requirement or (iii) breaches any term or condition of any licence, authorisation or consent held by Foskor and required by Foskor to conduct its business operations and which failure or breach Foskor, in its sole and reasonable discretion, considers to be detrimental to Foskor for sound business reasons; then Foskor shall be entitled, but not obliged, to terminate the Agreement on written notice to the Supplier, in which event such termination shall be without any liability other than for payment in respect of Services already performed in accordance with the Agreement up to date of termination and without prejudice to any claims which Foskor may have for damages against the Supplier. The Supplier shall be entitled, but not obliged, to terminate this Agreement with immediate effect on written notice to Foskor in the event that Foskor is provisionally or finally liquidated or placed under curatorship or business rescue.

26 TERMINATION OR SUSPENSION FOR CONVENIENCE

26.1 Foskor may terminate this Agreement in whole or in part for convenience and without cause at any time by giving the Supplier at least 90 (ninety) days prior written notice designating the termination date. The Supplier will immediately cease the

performance of the Services as at the termination date specified in such notice. Foskop shall have no liability to the Supplier with respect to such termination other than for payment in respect of Services already performed in accordance with the Agreement up to date of termination.

26.2 Foskop will be entitled to suspend the performance of the Services upon prior written notice for a period specified by Foskop ("Notice of Suspension").

26.3 Upon receipt of such Notice of Suspension, the Supplier will promptly suspend the performance of the Services, to the extent specified by Foskop, and will for the duration of such suspension properly maintain, care for, and protect the materials, supplies, consumables and equipment required to perform the Services. The Supplier will also use its best efforts to utilise its material, labour, consumables and equipment in such a manner as to mitigate costs associated with the suspension of the Agreement.

26.4 To the extent that the Notice of Suspension will affect the Price or the date for completion of the Services, the Supplier must furnish Foskop, within five (5) days of receipt of the Notice of Suspension, in writing with the potential increase in cost and any extension of time for completion of the Services and any impact on the Price. If the Supplier does not furnish Foskop with the potential increase in the cost or extension of time for completion within the aforesaid 5 (five) days, or such longer period as the Parties may agree in writing, the Supplier will be deemed to have waived any claim it may have for an increase in cost or extension of time by reason of the suspension of the Services.

26.5 If the period of suspension exceeds an uninterrupted period of 90 (ninety) days, either Party will have the right to terminate the Agreement. Foskop shall have no liability to the Supplier with respect to such termination other than for payment in respect of

Services already performed in accordance with the Agreement up to date of termination.

- 26.6 In the event that the notice of suspension is issued due to the Supplier's act, omission or breach of Agreement, the Supplier may not claim any compensation or extension of time by reason of such suspension.

27 FORCE MAJEURE

- 27.1 Neither Party shall be liable to the other for any Losses which are a result of any default or delay in the performance of its obligations under the Agreement if and to the extent such default or delay is caused, directly or indirectly, by any event, cause or circumstance beyond the reasonable control of such Party ("Force Majeure Event"), including forced plant shut downs or stoppages or orders suspending of operations or orders by regulatory authorities or breakdowns, pandemic, fire, flood, earthquake, elements of nature or acts of God, riots, strikes, lockout, civil disorders or other labour related disputes, rebellions or revolutions in any country or any other cause beyond the reasonable control of such Party.
- 27.2 The Party affected by the Force Majeure Event (the "Affected Party") shall, as soon as it becomes aware that a Force Majeure Event is likely to occur or has occurred, immediately notify the other Party in writing, setting out in detail the extent and expected duration of the Force Majeure Event. The Affected Party will immediately notify the other Party as soon as the Force Majeure event ceases.
- 27.3 The Affected Party shall then be excused from performance of its obligations to the extent and for the period that it is unable to perform those obligations as a result of the Force Majeure Event and neither Party shall be entitled to claim damages, penalties or other compensation from the other as a result of such Force Majeure Event or the failure by the Affected Party to perform. In addition, the unaffected Party shall not be obliged to counter-perform any obligation where performance of the Affected Party has not taken place due to a Force Majeure Event.
- 27.4 Where the inability of the Supplier to perform the Services due to a Force Majeure Event will, or is reasonably expected to, prevent, hinder, or delay Foskor for more than 3 (three) consecutive days from continuing or recommencing, as the case may be, its applicable operations, Foskor may, where the nature of the Services permit, procure such Services, or any portion thereof, from an alternate source and may terminate the Agreement in whole, or to the extent of the Services procured from the

alternative source, without liability to the Supplier, other than having to pay the Supplier for such Services performed in accordance with the provisions of the Agreement.

- 27.5 Notwithstanding the above, where the Force Majeure Event continues for an uninterrupted period of 30 (thirty) days, either Party may forthwith terminate the Agreement on 10 (ten) days written notice.

28 DISPUTE RESOLUTION

Any dispute arising between the Parties, or any claim by one Party against the other, regarding the existence, validity, interpretation or enforceability of the Agreement, a breach or alleged breach of the Agreement or the liability of a Party under this Agreement (all of the foregoing a "Dispute") shall be subject to the following dispute resolution procedure:

- 28.1 A Dispute will in the first instance be referred to duly authorised senior representatives of each of the Parties for resolution. If such Dispute is not resolved within 30 (thirty) days from date of referral, either party may refer the Dispute to arbitration in accordance with the rules of the Arbitration Foundation of Southern Africa ("AFSA").
- 28.2 The arbitration shall be held in Sandton, or such other location as agreed between the Parties, before a single arbitrator agreed on by the Parties, or should the Parties fail to agree on an arbitrator within 10 (ten) days after arbitration has been demanded, the arbitrator shall be nominated at the request of any Party by AFSA. The arbitration shall be held in the English language.
- 28.3 The arbitrator shall commence the arbitration within 21 (twenty-one) days and proceed as if time is of the essence in the arbitration proceeding and shall render his or her decision within 14 (fourteen) days following the conclusion of the hearing.
- 28.4 Any Party may appeal the decision of the arbitrator within a period of 20 (twenty) days after the arbitrator's ruling has been handed down by giving written notice to that effect to the other Party to the arbitration. The appeal shall be dealt with in accordance with the rules of AFSA by 3 (three) arbitrators appointed by AFSA.
- 28.5 The decision of the arbitrator shall be binding on the Parties to the arbitration after the expiry of the period of 20 (twenty) days from the date of the arbitrator's ruling if no appeal has been lodged by any Party or upon the issue of determination by the appeal panel, as the case may be. A decision, which becomes final and binding in

terms of this clause 28.5 may be made an order of court at the instance of any Party to the arbitration.

28.6 Each Party agrees to continue performing its obligations under the Agreement while any Dispute is being resolved except to the extent that the issue in Dispute precludes performance (dispute over payment shall not be deemed to preclude continued performance).

28.7 The Parties shall use commercially reasonable efforts to resolve Disputes arising under the Agreement as rapidly as possible.

28.8 This clause 28 shall not preclude either Party from applying for the granting of summary judgment (in cases of liquidated claims) or either Party from seeking urgent relief from the High Court of the Republic of South Africa or any other competent organs of state created for the specific purpose of regulating the business or industry activities in which the Parties are engaged.

28.9 Any dispute resolution or arbitration process under this clause 28 shall be conducted *in camera* and the Parties shall treat as confidential and not disclose to any third party, details of the Dispute, the conduct of the informal or formal dispute resolution proceedings or the outcome of the dispute resolution proceedings, without the written consent of the other Party provided that the Parties shall be entitled to disclose such information to such persons as are necessary to enable them to institute or defend their case.

30 GENERAL

- 30.1 The Supplier will not cede, delegate or assign any of its rights, benefits and/or obligations in terms of the Agreement, in whole or in part, to any third party without the prior written consent of Foskor.
- 30.2 The Supplier may not sub-contract its obligations under the Agreement without the prior written consent of Foskor. Should Foskor consent to such appointment, the Supplier shall at all times be responsible to Foskor for fulfilment of all the Supplier's obligations under the Agreement and remain Foskor's sole point of contact regarding the Services, including with respect to payment. No obligation shall arise between Foskor and any Authorised Sub-contractor, save for the correct performance of Services in terms of the Agreement.
- 30.3 Foskor shall have the right during the continued duration of the Agreement to revoke its approval of an Authorised Sub-contractor and direct the Supplier to replace such Authorised Sub-contractor upon 30 (thirty) days' notice if the Authorised Sub-contractor's performance is materially deficient, or *bona fide* doubts exist concerning the Authorised Sub-contractor's ability to render future performance because of changes in the ownership, management, and/or financial condition of the Authorised Sub-contractor, or there have been material misrepresentations regarding the Authorised Sub-contractor.
- 30.4 Neither Party shall during the currency of the Agreement and for a period of 1 (one) year after its termination, induce, encourage or procure any employee employed by the other Party to become employed by or associated directly or indirectly in any manner in the other. If an employee of either Party responds to an employment advertisement of the other Party, the Party seeking employees shall notify the other Party prior to commencing any formal procedures, in order to minimize business interruption.
- 30.5 Should any of the terms and conditions of the Agreement be held to be invalid, unlawful or unenforceable, such terms and conditions shall be severable from the remaining terms and conditions which shall continue to be valid and enforceable. If any term or condition held to be invalid is capable of amendment to render it valid, the Parties agree to negotiate an amendment to remove the invalidity.
- 30.6 The Supplier shall not make or issue any formal or informal announcement (with the exception of stock exchange announcements), advertisement or statement to

the press to any other person in connection with the details of the Agreement without the prior written consent of Foskor. No documents in possession of the Supplier or photos taken of Foskor's plant or mine may be disseminated or released to any third party without the prior written consent of Foskor.

- 30.7 No change, waiver or discharge of the terms and conditions of the Agreement shall be valid unless in writing and signed by an authorised representative of the Party against which such change, waiver or discharge is sought to be enforced, and any such change, waiver or discharge will be effective only in the specific instance and for the purpose given. No failure or delay on the part of either Party hereto in exercising any right, power or privilege under the Agreement will operate as a waiver thereof, nor will any single or partial exercise of any right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege.
- 30.8 Except where expressly provided as being in the sole discretion of a Party, where agreement, approval, acceptance, consent, or similar action by either Party is required under the Agreement, such action shall not be unreasonably delayed or withheld. An approval, acceptance, consent or similar action by a Party under the Agreement shall not relieve the other Party from the responsibility for complying with the requirements of the Agreement, nor shall it be construed as a waiver of any rights under the Agreement, except as and to the extent otherwise expressly provided in such approval, acceptance or consent.
- 30.9 The Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same Agreement, as at the date of signature of the Party last signing one of the counterparts. The Parties undertake to take whatever steps may be necessary to ensure that each counterpart is duly signed by each of them without delay.
- 30.10 The Agreement will be governed by and construed in accordance with the law of the Republic of South Africa and all disputes, actions and other matters relating thereto will be determined in accordance with such law.
- 30.11 The Parties agree that there are no other collateral terms or conditions to the Agreement, whether oral or written
- 30.12 In the event of a conflict between the documents comprising the Agreement, such conflict shall be resolved in accordance with the order of precedence (in

descending order of priority) as follows (i) the Letter of Award or relevant Purchase order and its annexures; (ii) the scope of work; (iii) the Specifications; (iv) the Special Terms; (v) these Standard Terms and Conditions.

- 30.13 The Supplier acts as an independent contractor and neither the Supplier nor Supplier's Authorised Sub-contractors are deemed to be either expressly or impliedly agents or employees of Foskor. The Parties also warrant and acknowledge that the relationship between them is not in the nature of a partnership and that neither Party is in any manner entitled to make or enter into binding agreements of any nature on behalf of the other Party.
- 30.14 Any provision of the Agreement which contemplates performance or observance subsequent to any termination or expiration of the applicable Agreement shall survive any termination or expiration of the applicable Agreement and continue in full force and effect.
- 30.15 Each Party agrees that, in its respective dealings with the other Party under or in connection with the Agreement, it shall act in good faith.
- 30.16 Each Party shall bear and pay its own costs of or incidental to the drafting, preparation and execution of the Agreement.

3 SUBMITTING OF BID DOCUMENTS

- 3.1 A Bid, which shall hereinafter include reference to an RFP or RFQ, shall be submitted to Foskor no later than the closing date and time specified in accordance with the directions issued in the Bid Documents. Late Bids will not be considered.
- 3.2 The Bid Documents must be completed in their entirety and Respondents are required to complete their Bid submissions legibly in non-erasable ink.
- 3.3 Bids shall be delivered in a sealed envelope in accordance with the instructions indicated in the Bid Documents with the Bid number and subject marked on the front of the envelope.
- 3.4 The Respondent's return address must be stated on the reverse side of the sealed envelope.

4 USE OF BID FORMS

- 4.1 Where special forms and/or formats are issued by Foskor for the submission of Bids, Respondents are required to submit their Bids by completion of the appropriate sections on such official forms and/or formats and not in other forms and/or formats or documents bearing their own terms and conditions of contract. Non-compliance with this condition may result in the rejection of a Bid.
- 4.2 Respondents must note that the original Bid forms and/or formats must be completed for submission and not a reprocessed copy or other format thereof.

- 4.3 Only if insufficient space has been allocated to a particular response may a Respondent submit additional information under separate cover using the Company's letterhead. This must be duly cross-referenced in the RFX.

5 VALIDITY PERIOD

- 5.1 The Respondents must hold their Bid valid for acceptance by Foskor at any time within the requested validity period after the closing date of the bid.
- 5.2 Respondents may be requested to extend their validity period for a specified additional period. 6 SITE VISITS / BRIEFING SESSIONS

Respondents may be requested to attend a site visit or briefing session where it is necessary to view the site in order to prepare their Bids, or where Foskor deems it necessary to provide Respondents with further information to allow them to complete their Bids properly. Where such visits or sessions are indicated as compulsory in the RFX Document, Respondents are obliged to attend these meetings as failure to do so will result in their disqualification.

7 CLARIFICATION BEFORE THE CLOSING DATE

Should clarification be required on any aspect of the Bid before the closing date, the Respondent must direct such queries to the contact person listed in the RFX Document in the stipulated manner.

8 COMMUNICATION AFTER THE CLOSING DATE

After the closing date of a Bid (i.e. during the evaluation period) the Respondent may only communicate with the General Manager Procurement.

9 UNAUTHORISED COMMUNICATION ABOUT BIDS

Where Bids are submitted to the General Manager, Procurement Respondents may at any time communicate with the General Manager on any matter relating to its Bid but, in the absence of written authority from the General Manager, no communication on a question affecting the subject of a Bid shall take place between Respondents or other potential service providers or official of Foskor during the period between the closing date for the receipt of the Bid and the date of the notification of the successful Respondent(s). A Bid, in respect of which any such unauthorised communication has occurred, may be disqualified.

10 POST TENDER NEGOTIATIONS

Foskor reserves the right to conduct post tender negotiations with the preferred bidder or a shortlist of preferred bidders. Should Foskor decide to conduct post tender negotiations, bidders will be requested to provide their best and final offers to Foskor based on such negotiations. A final evaluation will be conducted in terms of 80/20 or 90/10 (whichever is applicable) and the contract will be negotiated and awarded to the successful bidder(s).

11 RETURNABLE DOCUMENTS

All returnable documents listed in the RFX Documents must be submitted with Respondent's Bid. Failure to submit mandatory returnable schedules / documents will result in disqualification. Failure to submit other schedules / documents may result in disqualification.

14 PRICES SUBJECT TO CONFIRMATION

- 14.1 Prices which are quoted subject to confirmation will not be considered.
- 14.2 Firm prices quoted for the duration of any resulting order and/or contract will receive precedence over prices which are subject to fluctuation if this is in Foskor's best interests.

15 ALTERATIONS MADE BY THE RESPONDENT TO BID PRICES

All alterations made by the Respondent to its Bid price(s) prior to the submission of its Bid Documents must be done by deleting the incorrect figures and words where required and by inserting the correct figures and words against the items concerned. All such alterations must be initialled by the person who signs the Bid Documents. Failure to observe this requirement may result in the particular item(s) concerned being excluded in the matter of the award of the business.

16 EXCHANGE AND REMITTANCE

- 16.1 The Respondent should note that where the whole or a portion of the contract or order value is to be remitted overseas, Foskor shall, if requested to do so by the Supplier/Service Provider, effect payment overseas directly to the foreign principal or manufacturer of such percentage of the contract or order value as may be stipulated by the Respondent in its Bid Documents.
- 16.2 It is Foskor's preference to enter into Rand-based agreements. Foskor would request, therefore, that the Respondent give favourable consideration to obtaining forward exchange cover on the foreign currency portion of the Agreement at a cost that is acceptable to Foskor to protect itself against any currency rate fluctuation risks for the duration of any resulting contract or order.

- 16.3 The Respondent who desires to avail itself of the aforementioned facility must at the time of bidding furnish the information called for in the Exchange and Remittance section of the Bid Documents and also furnish full details of the principals or manufacturer to whom payment is to be made.
- 16.4 The South African Reserve Bank's approval is required before any foreign currency payments can be made to or on behalf of Respondents.
- 16.5 Foskor will not recognise any claim for adjustment of the order and/or contract price if the increase in price arises after the date on which the Goods/Services were to be delivered, as set out in the order and/or contract, or any subsequent agreement between the parties.
- 16.6 Foskor reserves the right to request a pro-forma invoice/tax invoice in order to ensure compliance with the contract and Value-Added Tax Act no. 89 of 1991 [VAT Act].

20 CONTRACT DOCUMENTS

- 20.1 The contract documents will comprise these General Bid Conditions, the Terms and Conditions of Contract and any schedule of "Special Conditions" which form part of the Bid Documents.

- 20.3 Should Foskor inform the Respondent that a formal contract will be signed, the abovementioned documents together with the Respondent's Bid response [and, if any, its covering letter and any

subsequent exchange of correspondence] as well as Foskor's Letter of Acceptance/Intent, shall constitute a binding contract until the final contract is signed.

24 SECURITIES

- 24.1 The successful Respondent, when called upon to do so, shall provide security to the satisfaction of Foskor for the due fulfilment of a contract or order. Such security shall be in the form of a Deed of Suretyship [Deed of Suretyship] furnished by an approved bank, building society, insurance or guarantee corporation carrying on business in South Africa.
- 24.2 The security may be applied in whole or part at the discretion of Foskor to make good any loss or damage which Foskor may incur in consequence of a breach of the contract or any part thereof.
- 24.3 Such security, if required, shall be an amount which will be stipulated in the Bid Documents.
- 24.4 Additional costs incurred by Foskor necessitated by reason of default on the part of the Supplier/Service Provider in relation to the conditions of this clause 24 will be for the account of the Supplier/Service Provider.

35 DATABASE OF RESTRICTED SUPPLIERS (BLACKLISTING)

35.1 All the stipulations on Foskor's blacklisting process as laid down in Foskor's Supply Chain Policy and Procurement Procedures Manual are included herein by way of reference. Below follows a condensed summary of this blacklisting procedure.

35.2 Blacklisting is a mechanism used to exclude a company/person from future business with Foskor and other organs of state for a specified period. On completion of the blacklisting process, the blacklisted entity's details will be placed on National Treasury's Database of Restricted Suppliers for the specified period of exclusion.

35.3 The decision to blacklist is based on one of the grounds for blacklisting. The standard of proof to commence the blacklisting process is whether a "*prima facie*" (i.e. on the face of it) case has been established.

35.4 Depending on the seriousness of the misconduct and the strategic importance of the Goods/Services, in addition to blacklisting a company/person from future business, Foskor may decide to terminate some or all existing contracts with the company/person as well.

35.5 A supplier/service provider or contractor to Foskor may not subcontract any portion of the contract to a blacklisted company.

35.6 Grounds for blacklisting include: If any person/Enterprise which has submitted a Bid, concluded a contract, or, in the capacity of agent or subcontractor, has been associated with such Bid or contract:

- a) Has, in bad faith, withdrawn such Bid after the advertised closing date and time for the receipt of Bids;
- b) has, after being notified of the acceptance of his Bid, failed or refused to sign a contract when called upon to do so in terms of any condition forming part of the bid documents;
- c) has carried out any contract resulting from such bid in an unsatisfactory manner or has breached any condition of the contract;
- d) has offered, promised or given a bribe in relation to the obtaining or execution of the contract;
- e) has acted in a fraudulent or improper manner or in bad faith towards Foskor or any Government Department or towards any public body, Enterprise or person;
- f) has made any incorrect statement in a certificate or other communication with regard to the Local Content of his Goods or his B-BBEE status and is unable to prove to the satisfaction of Foskor that:
 - (i) he made the statement in good faith honestly believing it to be correct; and
 - (ii) before making such statement he took all reasonable steps to satisfy himself of its correctness;
- g) caused Foskor damage, or to incur costs in order to meet the contractor's requirements and which could not be recovered from the contractor;
- h) has litigated against Foskor in bad faith.

35.7 Foskor recognizes that trust and good faith are pivotal to its relationship with its suppliers/service providers. When a dispute arises between Foskor and its supplier/service provider, the parties should use their best endeavours to resolve the dispute in an amicable manner, whenever possible. Litigation in bad faith negates the principles of trust and good faith on which commercial relationships are based. Accordingly, Foskor will not do business with a company that litigates against it in bad faith or is involved in any action that reflects bad faith on its part. Litigation in bad faith includes, but is not limited to the following instances:

- a) Vexatious proceedings. These are frivolous proceedings which have been instituted without proper grounds;
- b) Perjury. Where a supplier/service provider commits perjury either in giving evidence or on affidavit;
- c) Scurrilous allegations. Where a supplier/service provider makes allegations regarding a senior Foskor employee which are without a proper foundation, scandalous, abusive or defamatory.

- d) Abuse of court process. When a supplier/service provider abuses the court process in order to gain a competitive advantage during a bid process.
- 35.8 Where any person or Enterprise has been found guilty by a court of law, tribunal or other administrative body of a serious breach of any law, during the preceding 5 Years, such person/Enterprise may also be blacklisted. Serious breaches of the law would include but are not limited to corruption, fraud, theft, extortion, or contraventions of the Competition Act 89 of 1998 (e.g. collusive tendering). This process excludes minor convictions such as traffic offences or personal disagreements between parties which have no bearing on the business operations of the person or Enterprise.
- 35.9 Grounds for blacklisting include a company/person recorded as being a company or person prohibited from doing business with the public sector on National Treasury's Register of Tender Defaulters.
- 35.10 Companies associated with the person/s guilty of misconduct (i.e. entities owned, controlled or managed by such persons), any companies subsequently formed by the person(s) guilty of the misconduct and/or an existing company where such person(s) acquires a controlling stake may be considered for blacklisting. The decision to extend the blacklist to associated companies will be at the sole discretion of Foskor.
- 35.11 Any person or enterprise or company against whom a decision to blacklist has been taken, may make representations to the Chief Financial Officer of Foskor (Pty) Ltd, whose decision shall be final.

The Party requiring such permission shall require of all such third

parties, appropriate written undertakings to be provided, containing similar terms to that set forth in this paragraph 37, and dealing with that third party's obligations in respect of its processing of the personal data. Following approval by the other Party, the Party requiring permission agrees that the provisions of this clause 37 shall *mutatis mutandis* apply to all authorised third parties who process personal data.

- 36.4 The Parties shall ensure that any persons authorized to process data on their behalf (including employees and third parties) will safeguard the security, integrity and authenticity of all data. Where necessary to meet this requirement, the Parties shall keep all personal data and any analyses, profiles, or documents derived therefrom logically separated from all other data and documentation held by it.

The Respondent shall also be required to provide Foskor with details of the persons affected by the compromise and the nature and extent of the compromise, including details of the identity of the unauthorised person who may have accessed or acquired the personal data.
 - b) The Respondent shall provide on-going updates on its progress in resolving the compromise at reasonable intervals until such time as the compromise is resolved.
 - c) Where required, the Respondent may be required to notify the South African Police Service; and/or the State Security Agency and where applicable, the relevant regulator and/or the affected persons of the security breach. Any such notification shall always include sufficient information to allow the persons to take protective measures against the potential consequences of the compromise.
 - d) The Respondent undertakes to co-operate in any investigation relating to security which is carried out by or on behalf of Foskor including providing any information or material in its possession or control and implementing new security measures.
