RE: THE CCMA WEBSITE SUPPORT AND MAINTENANCE CONTRACT EXTENSION

As discussed in the meeting held on the 12th of February 2022 between STRIDE IT Business Solutions (Stride IT) and the Commission for Conciliation, Mediation and Arbitration (CCMA) project management teams, it was agreed that; the contract for *RQN00000WSRB (Head Office) Request for Proposal and quotations for the design and development of the new CCMA website inclusive of support and maintenance services* for a period of 24 months which was awarded to Stride IT will be extended for a period of 4 months to take into consideration project delays experienced during the design and development phases of the project.

With the aforementioned agreed upon, the maintenance and support contract will thus **commence on the 1st of May 2022 and conclude on the 30th of April 2023** at no additional cost to the CCMA.

Furthermore, any additional changes as requested in the finalisation of Phases 2 & 3 will be at no additional cost to the CCMA and Stride IT agrees to effect these changes during the first 3 month on support and maintenance.

Stride IT endeavors to provide our clients with the best possible service and to deliver impeccable software solutions to enhance and improve their organisation.

Yours sincerely,
