

ADDENDUM

TENDER NO.: E3615GXMPDUV**DESCRIPTION: Service, Maintenance, Calibration, Supply of spares and consumables of Lab Instruments at Duvha Power Station on an as and when required basis for a period of 60 Months.****DATE ISSUED:** 09 October 2026**FROM:** Eskom Holdings SOC Ltd
TO: All Bidders / Interested Parties**Subject:** Corrections to:

- Technical Evaluation Strategy

This addendum serves to formally amend the issued tender documents as follows:

1. Formal Correction to the tender Technical Evaluation Strategy

An incorrect Technical Evaluation Strategy was published with the enquiry documents. This discrepancy was identified during the Non-Compulsory Clarification Meeting held on **08 October 2026**. The technical team has since provided the correct and updated Technical Evaluation Strategy, which has now been published on both the **Tender Bulletin** and the **National e-Portal**.

Please note that the tender closing date remains unchanged: 30 October 2026 at 10:00

Addendum: Availability of Revised Documentation

Tenderers are hereby advised that revised documentation has been uploaded on all tender platforms to reflect the corrections previously communicated.

All tenderers are required to ensure that they obtain and review the revised documents in full, and that their submissions are based on the updated documentation.

This notice forms an integral part of the tender documentation.

End of Addendum.**Yours faithfully**

Procurement Manager
Mandla Mkhonza**Date:** 09/10/2026
