

TENDER BULLETIN NO. 2

CTT 25773 – PATHOLOGY SERVICES FOR PetroSA, VARIOUS SITES.

	General Questions/ Clarifications / Notes
1.	Question - What is required from the bidder with regards to ‘medical legal purposes’ with regards to the drug testing? Answer - A document or report detailing a comprehensive drugs of abuse confirmation testing with result. The pathologist report/results will be used as evidence to support the business, even in legal cases. Therefore, the results must be valid and leave no room for error.
2.	Question - Please clarify what testing is required for Blood toxicology screen (listed under: Blood tests)? Answer - Blood Alcohol Concentration (BAC) levels.
