RE-ADVERTISEMENT: APPOINTMENT OF A SERVICE PROVIDER FOR PROFESSIONAL, SIMULTANEOUS AND CONSECUTIVE INTERPRETING, AS WELL AS TRANSLATION AND EDITING SERVICES, FOR A PERIOD OF SIX MONTHS, ON AN AS AND WHEN REQUIRED BASIS

BID NUMBER

(Q07-01-2026-27)

1. INTRODUCTION AND PURPOSE

The Constitution of the Republic of South Africa, 1996, makes provision for the protection, development and promotion of 12 official languages, as well as the Khoi, Nama and San languages. It further commits the local government to take into account the language preferences of its residents. For its part, the City of Tshwane's Language Policy recognises nine official languages (English, Afrikaans, Sepedi, Setswana, isiZulu, isiNdebele, Xitsonga, Tshivenda and South African Sign Language).

The purpose of this request is to appoint a service provider to render simultaneous and consecutive interpreting, translation and editing services for a period of six months to ensure that the language policy is efficiently implemented through these language facilitation services. This is done to ensure continuity in the provision of these services while the tender process to appoint a service provider for a period of three years unfolds.

2. BACKGROUND

The responsibility of ensuring parity of esteem and equity of all the official languages as enjoined by the Constitution, lies with the three spheres of government, considering the language preferences and dynamics of the communities they serve. Since local government is at the coalface of service delivery, more responsibility is placed on it to consider the language preferences of the communities they serve in their effort to deliver services. It is against this background that Council approved a multilingual language policy for the City with the aim of ensuring access to much-needed services and information in the different official languages of the communities we serve.

It is for this reason that the department would like to follow the quotation advertisement process to appoint a service provider for a six-month period as a stopgap measure to ensure uninterrupted rendering of services, especially interpreting services because there are no interpreters internally. The department

will also embark on the tender process to have a service provider appointed for a three-year period.

3. PROJECT SCOPE

Provision of professional simultaneous and consecutive interpreting, and translation and editing services for a period of six months on an as and when required basis.

3.1 The hiring of the services of simultaneous and/or consecutive interpreters in the following language combinations:

- Afrikaans into English; and/or
- English into Afrikaans; and/or
- Sepedi into English; and/or
- English into Sepedi; and/or
- Setswana into English; and/or
- English into Setswana; and/or
- isiZulu into English; and/or
- English into isiZulu; and/or
- isiNdebele into English; and/or
- English into isiNdebele; and/or
- Xitsonga into English; and/or
- English into Xitsonga; and/or
- Sesotho into English; and/or
- English into Sesotho; and/or
- isiXhosa into English; and/or
- English into isiXhosa; and/or
- SiSwati into English; and/or
- English into SiSwati; and/or
- Foreign languages into English; and/or
- English into foreign languages; and/or
- Any of the official languages into South African Sign Language; and/or
- South African Sign Language into any of the official languages.

The above language combinations may need to be extended depending on the language needs of the various target groups in the communication process.

The simultaneous interpreting service is required at monthly meetings of Council, formal disciplinary hearings and/or any other meetings, conferences and workshops hosted by the City.

The simultaneous, consecutive and lip-speaking interpreting service is also required at informal and *ad hoc* meetings and summits of the City, such as public participation programmes and Integrated Development Plan (IDP) consultations, as and when the need arises.

Because of the COVID-19 pandemic, which dictated alternative ways of functioning, including making use of different online platforms, the successful

bidder should have the capacity to provide interpreting services remotely (virtually), should such need arise.

The bidder must see to the following in terms of staff provisioning:

- (a) It is expected that the bidder will deploy experienced personnel to perform all three functions, namely simultaneous and consecutive interpreting, and translation and editing for the required language combinations.
- (b) Interpreters must strictly be on time for all proceedings and must preferably be 15 minutes early.
- (c) Standby interpreters must be available in case of an emergency.
- (d) Interpreters must be familiar with the interpreting equipment used for simultaneous interpreting.
- (e) Interpreters must familiarise themselves with the subject fields of local government, the terminology used and the laws governing it before they proceed with the interpreting service.
- (f) An on-site coordinator or manager may be required to be present for simultaneous interpreting assignments, which may include Council meetings, IDP consultations, conferences, etc.
- (g) No meals will be provided for interpreters, except when sufficient quantities are available and arranged in good faith with the organiser of the event. Interpreters will not be reimbursed for the cost of meals.
- (h) Interpreters may not bring guests to official meetings.

3.2 The hiring of the services of professional translators and editors in the following languages:

- Afrikaans
- Sepedi
- Setswana
- English
- isiZulu
- isiNdebele
- Xitsonga
- Tshivenda
- Siswati
- Sesotho
- isiXhosa
- Foreign languages

NOTE

- (i) Efforts will be made to obtain and communicate preliminary dates, times, venues, names and the nature of the various meetings (including the language combinations required for the purposes of simultaneous and consecutive interpreting) with the successful bidder at least three days before the relevant proceedings.
- (ii) Given the uncertainty surrounding the need for *ad hoc* interpreting, translation and editing services, the successful bidder must be able to meet urgent requests at very short notice, such as one day's notice.
- (iii) Owing to the uncertainty mentioned in Paragraph (ii) above, requests for the cancellation of a particular service may also be given at very short notice, such as one day's notice, and no cancellation fee will be paid in this instance.

It is expected that the bidder will deploy experienced personnel that have performed simultaneous interpreting, consecutive interpreting, translation and/or editing in the required language combinations in the past. This team should possess the relevant skills adequate for performing the tasks set out in this specification document.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
