## **Annex G : SBD 9 – CERTIFICATE OF INDEPENDENT BID DETERMINATION**

---

### **~~CERTIFICATE OF INDEPENDENT BID DETERMINATION~~**

- ~~1 This Standard Bidding Document (SBD) must form part of all bids<sup>1</sup> invited.~~
- ~~2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).<sup>2</sup> Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.~~
- ~~3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:~~
- ~~a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.~~
- ~~b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.~~
- ~~4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.~~
- ~~5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:~~

~~<sup>1</sup> Includes price Proposals, advertised competitive bids, limited bids and proposals.~~

~~<sup>2</sup> Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.~~

DBSA aims to achieve the best value for money when buying or selling goods and obtaining services. This however must be done in an open and fair manner that supports and drives a competitive economy. Underpinning our process are several acts and policies that any service provider dealing with DBSA must understand and support. These are:

- The DBSA Procurement Policy – A guide for Tenderers;
- Section 217 of the Constitution of the Republic of South Africa, 1996 - the five pillars of Public Procurement and Supply Chain Management: fair, equitable, transparent, competitive, and cost effective;
- The Public Finance Management Act, Act 1 of 1999 (PFMA);
- The Broad Based Black Economic Empowerment Act, Act 53 of 2003 (B-BBEE);
- The Companies Act, Act 71 of 2008;
- The Prevention and Combating of Corrupt Activities Act, Act 12 of 2004 (PRECCA);
- The Protected Disclosures Act, Act 26 of 2000;
- The Construction Industry Development Board Act, Act 38 of 2000 (CIDB Act);
- The Preferential Procurement Policy Framework Act, Act 5 of 2000; and
- The Protection of Personal Information Act 4 of 2013 ("POPIA"), regulates the processing, management, storage, and protection of personal information in order to protect an individual's right to privacy. Please refer to the DBSA website for the Privacy Statement (Contractors, Consultants and Service Providers).

The Privacy Statement sets out:

- Information which we may collect from you.
- How we collect information.
- How we may use, transfer and disclose your information.

The DBSA takes your privacy and the protection of your personal information very seriously, and we will only use your personal information in accordance with the Privacy Statement and applicable laws. We have implemented reasonable technical and operational measures to keep your personal information secure. It is important that you read the Privacy Statement carefully before submitting any personal information to the DBSA.

By submitting any personal information or documentation requested or any other information that may be requested pursuant to this RFP, you provide consent to the processing of your personal information as set out in the Privacy Statement. You also consent that any information, either written or verbal, may be made available to third parties strictly for the purpose of oversight to this tenders' appointment. Further, you declare that you have obtained all consents required by the POPIA or any other applicable laws.

Thus, you hereby indemnify and hold the DBSA harmless from any loss, damages or injury that you may incur as a result of any unintentional disclosures of your personal information to unauthorized persons or the provision of incorrect or incomplete personal information to the DBSA.

This code of conduct has been included in this contract to formally appraise DBSA Service providers of DBSA's expectations regarding behaviour and conduct of its Service providers. The tenderer will share this code of conduct with its subcontractor(s) prior to submitting the tender and ensure adherence to it by the subcontractor(s).

***Prohibition of Bribes, Kickbacks, Unlawful Payments, and Other Corrupt Practices***

DBSA's aim is to become a world class, profitable and sustainable organisation. As such, our transformation is focused on adopting a performance culture and to adopt behaviours that will enable this transformation.

***1. DBSA will not participate in corrupt practices in any form or guise. Therefore, it expects its service providers to act in the same manner.***

- DBSA and its employees will adhere the laws of this country and keep accurate business records that reflect actual transactions with, and payments to, our service providers.
- DBSA Employees must not accept or request, agree or promise to accept, money, or anything of value, or any form of gratification, either directly or indirectly, from service providers or anyone linked to them in return for a benefit or other advantage to accrue to a service provider or other linked 3<sup>rd</sup> party;
- Employees may not receive anything that is intended to:
  - In an irregular or untoward manner, influence their judgement or conduct to ensure a specific or pre-conceived desired outcome of a sourcing activity;
  - In an irregular or untoward manner, win or retain business or influence any act or decision of any person involved in sourcing decisions; or
  - Gain an improper advantage.
- There may be times when a service provider is confronted with fraudulent or corrupt behaviour of DBSA employees. We expect our Service providers to use our "Tip-offs Anonymous" Hot line to report these acts – 0800 204 933 or email [dbsa@tip-offs.com](mailto:dbsa@tip-offs.com).

***2. DBSA is firmly committed to the concept of free and competitive enterprise.***

- Service providers are expected to comply with all applicable laws and regulations regarding fair competition and antitrust practices.
- DBSA does not engage with non-value adding agents or representatives solely for the purpose of increasing BBBEE spend (fronting).

***3. DBSA's relationship with service providers requires us to clearly define requirements, to exchange information and share mutual benefits.***

- Generally, service providers have their own business standards and regulations. Although DBSA cannot control the actions of our service providers, we will not tolerate any illegal activities. These include, but are not limited to:
  - Misrepresentation of their product (origin of manufacture, specifications, intellectual property rights, etc.);

  - Failure to disclose accurate information required during the sourcing activity (ownership, financial situation, BBBEE status, etc.);
  - Corrupt activities listed above; and
  - Harassment, intimidation, or other aggressive actions towards DBSA employees.
- Service providers will be evaluated and approved before any materials, components, products, or services are purchased from them. A rigorous due diligence is conducted, and the service provider is expected to participate in an honest and straight forward manner.
- Service providers must record and report facts accurately, honestly, and objectively. Financial records must be accurate in all material respects.

#### **4. Conflicts of Interest**

A conflict of interest arises when personal interests or activities influence (or appear to influence) the ability to act in the best interests of DBSA.

- Doing business with family members or close associates.
- Having a financial or beneficial interest in another company in our industry or environment

Where possible, contracts will be negotiated to include the above in the terms of such contracts. To the extent such terms are not included in contractual obligations and any of the above code is breached, then DBSA reserves its right to review doing business with these service providers.
