

NO.	REFERENCE	DATE RECEIVED	CLARIFICATION REQUIRED/QUERY/REQUEST	TNPA RESPONSE DATE	TNPA RESPONSE
1.	Compulsory Briefing meeting attendance	16.12.23	We were unable to attend the clarification meeting on-site, but we are still interested in participating in the tender process. Please let us know if there are any provision to participate in the tender process.	09.01.24	Not attending a compulsory tender briefing meeting will render your bid submission non-compliant.
2.	Compulsory Briefing meeting attendance	07.12.23	We have few queries as below: 1. Are International players (outside South Africa) allowed to participate in the tendering process? If yes, we would request you to share the detailed tender documents. 2. Since we are based out of India, we would request you to provide us the online meeting link for the "Compulsory Tender Clarification Meeting" to be held on 11th December 2023. We would like to join the same virtually.	08.12.23	1. Yes, International players (outside South Africa) are allowed to participate in the tendering process. 2. The compulsory tender clarification meeting is on site only, there is no option to join virtually/online.

3.	Request for extension of time		In order to fulfil all requirements according to these RfP's effectively, I would like to request an extension of time for the submission date specified (Tuesday, 02 Feb 2024). This would enable our bidding team to refine each proposal for its intended purposes and prevent confusion arising between these similar bids.	16.01.24	Requested formally responded to by the issue of addendum 01 on the 18 Jan 2024, extending the closing date to the 20 February 2024.
End Rev 01					
4.	Request for extension of time	17.01.24	Would like to request for a Tender Submission Date extension to the 9 th February 2023. The reasons are as follows: 1. Festive season period was not favourable to could have started working on the Tenders as our employees were travelling. 2. We want to ensure that we have enough time to compile a comprehensive and high-quality tender document for Transnet to receive a valuable tender response for a well thought approach paper that can be executed successfully than to rush it through. I believe the above will be enough reasons to consider our request, done with the interest of high quality of works for Transnet National port Authority.	18.01.24	Requested formally responded to by the issue of addendum 01 on the 18 Jan 2024, extending the closing date to the 20 February 2024.
End Rev 02					
5.	Company Experience	18.12.23	Kindly assist with clarification on the following issue: "with at least 12 years of experience in engineering design and construction of marine/port infrastructure related projects or similar". Kindly assist with clarification on what would be considered as "similar" experience in this tender.	12.01.24	Similar projects are projects in marine and also port projects where design and construction professional consulting services were provided
End Rev 03					

6.	Key persons	13.02.24	Kindly clarify whether a Safety officer registered as such is equivalent to the Safety Agent as required in the tender functionality requirement?	16.02.24	Kindly note the requirement is for registered Health and Safety Agent, a Safety officer is not equivalent to an Agent
