Dear Tenderer

ADDENDUM: NO.1

Invitation to Tender (ITT) Ref: **MPKEN11319PS**

ASH DISPOSAL FACILITY CROSS WALL CONSTRUCTION AT KENDAL POWER STATION.

With regards to the above enquiry, please take note of the following additional information with regards to Personal Protection Equipment (PPE) required for plant walk down as follows:

- Safety Shoes / boots. If people do not have safety shoes / boots they will not be allowed to enter the ADF Project.
- Reflective vest
- Long pants and shirt (No dresses please).
- Dust masks (will be provided in case of windy conditions).
- Safety goggles (Eskom requirement).
- Hard hat

The vehicles requirement for entering the site:

- Rotating yellow light
- 1m yellow reflective stripes on the site of the vehicle.
 - If the contractor do not have these for their vehicles, additional arrangements will be made to accommodate them.

Also note that a brief SHE Induction will be done before the team depart for the site visit

All other Conditions of Tender remains unchanged.

Yours sincerely

Tshogarebone Thobejane
Senior Advisor Procurement
