1. BACKGROUND OF MBTC

The MBTC is a schedule 3A public entity accountable to the Executive Authority, the Minister of DSAC with a vision of becoming the leading producer of excellence and job creation for performing arts in the Eastern Cape. The MBTC is mandated to serve the performing arts sector of the Eastern Cape. This mandate positions the MBTC as a key enabler in advancing the production of historical play, cutting edge socio-political story – telling and innovative dance promise on and influenced by traditional Xhosa and Khoi heritage, repurposing and reversion the musical treasure that the Eastern Cape houses.

Since its declaration as a cultural institution on 4 June 2021, MBTC is required to introduce new and innovative strategies, and a new way of envisioning the future of the sector, new internal business systems and fostered new partnerships and alliances with key provincial and national and international institutions alike. This paradigm shift has channelled a new way of thinking and repositioning of MBTC into a properly re-engineered, well governed, and financially viable schedule 3A public entity that is resilient and capable of executing its mandate.

2. OBJECTIVES OF THE ASSIGNMENT

MBTC currently is dependent on outsourcing/ hire of sound instruments from service providers. These instruments consist of backline/ microphones/ stage monitors etc. This exercise is proving to be expensive and a risk to our shows as there is so much you can get in the Gqeberha Market.

To this end the decision has been made to purchase some of sound instruments with minimum to be hired. These instruments form part of our principal mode of operation specially aligned to the theatrical environment.
