

## SIE 24010 CIDB (HOAC\_HO\_47744) – ENQUIRY

### Bidder's Enquiry:

1. Cable racking (industrial 90mm width) – what is the height ?
2. Weather resistant and flame proof start stop switches for field start and stop of pumps

### Response:

1. Cable racking (industrial 90mm width) – what is the height ?  
The width is 90mm (some people call this height which is also 90 mm)
2. Weather resistant and flame proof start stop switches for field start and stop of pumps  
The statement made is true as there is no question asked here.
