SECTION 2: BACKGROUND, PURPOSE AND SCOPE OF WORK

Scope Background and Purpose

As a State-owned company, Airports Company South Africa has a greater mandate than simply delivering profitability for its shareholders. We are mandated to advance South Africa's national agenda of economic growth and development while delivering a sustainably profitable business. We strive to fulfil this mandate by conducting our business in an ethical manner that enables inclusive growth and creates sustainable value for all our stakeholders. Broad-Based Black Economic Empowerment Act has its foundation in the Constitution of the Republic of South Africa Act, 1996. As a result, ACSA is required to continue to improve and strengthen transformation through the implementation of the B-BBEE Codes of Good Practice within 2009 Transport Sector Codes, Public Sector Sub-Sector. It is therefore a requirement for businesses to be verified on an annual basis and be awarded a B-BBEE Rating status as prescribed by law. ACSA's B-BBEE Rating certificate will expire on the 18 August 2021. It is against this background that we source an independent B-BBEE Verification Agency to conduct the verification audit process for us to be awarded a new FY21/22 B-BBEE Certificate before mid August to remain compliant and competitive.

Scope of works

ACSA is required to obtain a new BEE certificate for FY22/23 period in order to trade with other businesses and to meet the BEE Requirements as prescribed by the B-BBEE Codes of Good Practice. **The measurement period will be from 01 April 2021 to 31 March 2022 financial period and the verification will be based on the 2009 Transport Sector Codes, Public Sector Sub-Sector due to non-promulgation of the Amended Transport Sector Codes.**

The following services may be required to be virtual as ACSA has implemented a hybrid model:
