2. TENDER SUBMISSION

Transnet has implemented a new electronic tender submission system, the e-Tender Submission Portal, in line with the overall Transnet digitalization strategy where suppliers can view advertised tenders, register their information, log their intent to respond to bids and upload their bid proposals/responses on to the system.

a) The Transnet e-Tender Submission Portal can be accessed as follows:

RFP closing date. In the interest of fairness and transparency, Transnet's response to such a query will be published on the e-tender portal and Transnet website.

- After the closing date of the RFP, a Respondent may only communicate to TNPATenderEnquiriesER@transnet.net on any matter relating to its RFP Proposal.
- Respondents are to note that changes to its submission will not be considered after the closing date.
- It is prohibited for Respondents to attempt, either directly or indirectly, to canvass any officer or employee of Transnet in respect of this RFP between the closing date and the date of the award of the business.
- Respondents found to be in collusion with one another will be automatically disqualified and restricted from doing business with organs of state for a specified period.
