

	NTCSA Contracts and Contractor OHS Requirements Exemption Letter – Institutionalised Training Project	Document Identifier	559-401587290	Rev	0
		Effective Date	July 2024		
		Review Date	July 2027		

National Transmission Company South Africa (NTCSA)’s responsibility and commitment is to ensure a safe working environment is in line with its Safety, Health, Environmental and Quality Policy, along with legislative obligations. NTCSA will partner or conduct business with entities that prioritise OHS in their organisation.

Scope of work: Procurement Institutionalized Training Contract

The nature of scope of work renders the project to the exemption of normal OHS requirements a per clause 3.2.2.7 (b) of the 32-726 Eskom Contract and Contractor OHS Management

I, the undersigned, hereby acknowledge that the scope of work does not warrant SHE requirements at the tendering phase due to the following reasons:

The reasons for exclusion of OHS requirements in the service to be rendered will be conducted at the premises of the supplier.

Please ensure that the successful supplier signs the 37.2 Agreement at contract award, he undertakes to ensure that the premises under him complies with the requirements of the National Buildings Regulations Act and SANS 10400 (National Buildings Standards Act), he inducts NTCSA learners on the safety requirements of his premises, he conducts regular OHS inspections of his premises at intervals required by the OHS Act, and he maintains a valid letter of good standing for the duration of the contract.
