GOVERNMENT PROCUREMENT GENERAL CONDITIONS OF CONTRACT

NOTES

The purpose of this document is to:

- (i) Draw special attention to certain general conditions applicable to government bids, contracts and orders; and
- (ii) To ensure that clients be familiar with regard to the rights and obligations of all parties involved in doing business with government.

In this document words in the singular also mean in the plural and vice versa and words in the masculine also mean in the feminine and neuter.

- The General Conditions of Contract will form part of all bid documents and may not be amended.
- Special Conditions of Contract (SCC) relevant to a specific bid, should be compiled separately for every bid (if applicable) and will supplement the General Conditions of Contract. Whenever there is a conflict, the provisions in the SCC shall prevail.

General Conditions of Contract

1. Definitions

1. The following terms shall be interpreted as indicated:
 - 1.1 “Closing time” means the date and hour specified in the bidding documents for the receipt of bids.
 - 1.2 “Contract” means the written agreement entered into between the purchaser and the supplier, as recorded in the contract form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
 - 1.3 “Contract price” means the price payable to the supplier under the contract for the full and proper performance of his contractual obligations.
 - 1.4 “Corrupt practice” means the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution.
 - 1.5 "Countervailing duties" are imposed in cases where an enterprise abroad is subsidized by its government and encouraged to market its products internationally.
 - 1.6 “Country of origin” means the place where the goods were mined, grown or produced or from which the services are supplied. Goods are produced when, through manufacturing, processing or substantial and major assembly of components, a commercially recognized new product results that is substantially different in basic characteristics or in purpose or utility from its components.
 - 1.7 “Day” means calendar day.
 - 1.8 “Delivery” means delivery in compliance of the conditions of the contract or order.
 - 1.9 “Delivery ex stock” means immediate delivery directly from stock actually on hand.
 - 1.10 “Delivery into consignees store or to his site” means delivered and unloaded in the specified store or depot or on the specified site in compliance with the conditions of the contract or order, the supplier bearing all risks and charges involved until the supplies are so delivered and a valid receipt is obtained.
 - 1.11 "Dumping" occurs when a private enterprise abroad market its goods on own initiative in the RSA at lower prices than that of the country of origin and which have the potential to harm the local industries in the RSA.
 - 1.12 "Force majeure" means an event beyond the control of the supplier and not involving the supplier's fault or negligence and not foreseeable. Such events may include, but is not restricted to, acts of the purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.

- 1.13 "Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of any bidder, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the bidder of the benefits of free and open competition.
- 1.14 "GCC" means the General Conditions of Contract.
- 1.15 "Goods" means all of the equipment, machinery, and/or other materials that the supplier is required to supply to the purchaser under the contract.
- 1.16 "Imported content" means that portion of the bidding price represented by the cost of components, parts or materials which have been or are still to be imported (whether by the supplier or his subcontractors) and which costs are inclusive of the costs abroad, plus freight and other direct importation costs such as landing costs, dock dues, import duty, sales duty or other similar tax or duty at the South African place of entry as well as transportation and handling charges to the factory in the Republic where the supplies covered by the bid will be manufactured.
- 1.17 "Local content" means that portion of the bidding price which is not included in the imported content provided that local manufacture does take place.
- 1.18 "Manufacture" means the production of products in a factory using labour, materials, components and machinery and includes other related value-adding activities.
- 1.19 "Order" means an official written order issued for the supply of goods or works or the rendering of a service.
- 1.20 "Project site," where applicable, means the place indicated in bidding documents.
- 1.21 "Purchaser" means the organization purchasing the goods.
- 1.22 "Republic" means the Republic of South Africa.
- 1.23 "SCC" means the Special Conditions of Contract.
- 1.24 "Services" means those functional services ancillaries to the supply of the goods, such as transportation and any other incidental services, such as installation, commissioning, provision of technical assistance, training, catering, gardening, security, maintenance and other such obligations of the supplier covered under the contract.
- 1.25 "Written" or "in writing" means handwritten in ink or any form of electronic or mechanical writing.

2. Application

- 2.1 These general conditions are applicable to all bids, contracts and orders including bids for functional and professional services, sales, hiring, letting and the granting or acquiring of rights, but excluding immovable property, unless otherwise indicated in the bidding documents.

- 2.2 Where applicable, special conditions of contract are also laid down to cover specific supplies, services or works.
 - 2.3 Where such special conditions of contract are in conflict with these general conditions, the special conditions shall apply.
- 3. General**
 - 3.1 Unless otherwise indicated in the bidding documents, the purchaser shall not be liable for any expense incurred in the preparation and submission of a bid. Where applicable a non-refundable fee for documents may be charged.
 - 3.2 With certain exceptions, invitations to bid are only published in the Government Tender Bulletin. The Government Tender Bulletin may be obtained directly from the Government Printer, Private Bag X85, Pretoria 0001, or accessed electronically from www.treasury.gov.za
- 4. Standards**
 - 4.1 The goods supplied shall conform to the standards mentioned in the bidding documents and specifications.
- 5. Use of contract documents and information; inspection.**
 - 5.1 The supplier shall not, without the purchaser's prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the purchaser in connection therewith, to any person other than a person employed by the supplier in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.
 - 5.2 The supplier shall not, without the purchaser's prior written consent, make use of any document or information mentioned in GCC clause 5.1 except for purposes of performing the contract.
 - 5.3 Any document, other than the contract itself mentioned in GCC clause 5.1 shall remain the property of the purchaser and shall be returned (all copies) to the purchaser on completion of the supplier's performance under the contract if so required by the purchaser.
 - 5.4 The supplier shall permit the purchaser to inspect the supplier's records relating to the performance of the supplier and to have them audited by auditors appointed by the purchaser, if so required by the purchaser.
- 6. Patent rights**
 - 6.1 The supplier shall indemnify the purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods or any part thereof by the purchaser.
- 7. Performance security**
 - 7.1 Within thirty (30) days of receipt of the notification of contract award, the successful bidder shall furnish to the purchaser the performance security of the amount specified in SCC.
 - 7.2 The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete his obligations under the contract.
 - 7.3 The performance security shall be denominated in the currency of the contract, or in a freely convertible currency acceptable to the purchaser and shall be in one of the following forms:

- (a) a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser's country or abroad, acceptable to the purchaser, in the form provided in the bidding documents or another form acceptable to the purchaser; or
- (b) a cashier's or certified cheque

7.4 The performance security will be discharged by the purchaser and returned to the supplier not later than thirty (30) days following the date of completion of the supplier's performance obligations under the contract, including any warranty obligations, unless otherwise specified in SCC.

8. Inspections, tests and analyses

8.1 All pre-bidding testing will be for the account of the bidder.

8.2 If it is a bid condition that supplies to be produced or services to be rendered should at any stage during production or execution or on completion be subject to inspection, the premises of the bidder or contractor shall be open, at all reasonable hours, for inspection by a representative of the Department or an organization acting on behalf of the Department.

8.3 If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned.

8.4 If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the supplies to be in accordance with the contract requirements, the cost of the inspections, tests and analyses shall be defrayed by the purchaser.

8.5 Where the supplies or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such supplies or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier.

8.6 Supplies and services which are referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be rejected.

8.7 Any contract supplies may on or after delivery be inspected, tested or analyzed and may be rejected if found not to comply with the requirements of the contract. Such rejected supplies shall be held at the cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with supplies which do comply with the requirements of the contract. Failing such removal, the rejected supplies shall be returned at the suppliers cost and risk. Should the supplier fail to provide the substitute supplies forthwith, the purchaser may, without giving the supplier further opportunity to substitute the rejected supplies, purchase such supplies as may be necessary at the expense of the supplier.

8.8 The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 23 of GCC.

- 9. Packing**
- 9.1 The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing, case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.
- 9.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the purchaser.
- 10. Delivery and documents**
- 10.1 Delivery of the goods shall be made by the supplier in accordance with the terms specified in the contract. The details of shipping and/or other documents to be furnished by the supplier are specified in SCC.
- 10.2 Documents to be submitted by the supplier are specified in SCC.
- 11. Insurance**
- 11.1 The goods supplied under the contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in the SCC.
- 12. Transportation**
- 12.1 Should a price other than an all-inclusive delivered price be required, this shall be specified in the SCC.
- 13. Incidental services**
- 13.1 The supplier may be required to provide any or all of the following services, including additional services, if any, specified in SCC:
- (a) performance or supervision of on-site assembly and/or commissioning of the supplied goods;
 - (b) furnishing of tools required for assembly and/or maintenance of the supplied goods;
 - (c) furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied goods;
 - (d) performance or supervision or maintenance and/or repair of the supplied goods, for a period of time agreed by the parties, provided that this service shall not relieve the supplier of any warranty obligations under this contract; and
 - (e) training of the purchaser's personnel, at the supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied goods.
- 13.2 Prices charged by the supplier for incidental services, if not included in the contract price for the goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier for similar services.
- 14. Spare parts**
- 14.1 As specified in SCC, the supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the supplier:
- (a) such spare parts as the purchaser may elect to purchase from the

- supplier, provided that this election shall not relieve the supplier of any warranty obligations under the contract; and
- (b) in the event of termination of production of the spare parts:
 - (i) Advance notification to the purchaser of the pending termination, in sufficient time to permit the purchaser to procure needed requirements; and
 - (ii) following such termination, furnishing at no cost to the purchaser, the blueprints, drawings, and specifications of the spare parts, if requested.

15. Warranty

- 15.1 The supplier warrants that the goods supplied under the contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the contract. The supplier further warrants that all goods supplied under this contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the purchaser's specifications) or from any act or omission of the supplier, that may develop under normal use of the supplied goods in the conditions prevailing in the country of final destination.
- 15.2 This warranty shall remain valid for twelve (12) months after the goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the contract, or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise in SCC.
- 15.3 The purchaser shall promptly notify the supplier in writing of any claims arising under this warranty.
- 15.4 Upon receipt of such notice, the supplier shall, within the period specified in SCC and with all reasonable speed, repair or replace the defective goods or parts thereof, without costs to the purchaser.
- 15.5 If the supplier, having been notified, fails to remedy the defect(s) within the period specified in SCC, the purchaser may proceed to take such remedial action as may be necessary, at the supplier's risk and expense and without prejudice to any other rights which the purchaser may have against the supplier under the contract.

16. Payment

- 16.1 The method and conditions of payment to be made to the supplier under this contract shall be specified in SCC.
- 16.2 The supplier shall furnish the purchaser with an invoice accompanied by a copy of the delivery note and upon fulfillment of other obligations stipulated in the contract.
- 16.3 Payments shall be made promptly by the purchaser, but in no case later than thirty (30) days after submission of an invoice or claim by the supplier.
- 16.4 Payment will be made in Rand unless otherwise stipulated in SCC.

17. Prices

- 17.1 Prices charged by the supplier for goods delivered and services

performed under the contract shall not vary from the prices quoted by the supplier in his bid, with the exception of any price adjustments authorized in SCC or in the purchaser's request for bid validity extension, as the case may be.

- | | |
|---|---|
| 18. Contract amendments | 18.1 No variation in or modification of the terms of the contract shall be made except by written amendment signed by the parties concerned. |
| 19. Assignment | 19.1 The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent. |
| 20. Subcontracts | 20.1 The supplier shall notify the purchaser in writing of all subcontracts awarded under this contract if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or obligation under the contract. |
| 21. Delays in the supplier's performance | <p>21.1 Delivery of the goods and performance of services shall be made by the supplier in accordance with the time schedule prescribed by the purchaser in the contract.</p> <p>21.2 If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.</p> <p>21.3 No provision in a contract shall be deemed to prohibit the obtaining of supplies or services from a national department, provincial department, or a local authority.</p> <p>21.4 The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the supplier's point of supply is not situated at or near the place where the supplies are required, or the supplier's services are not readily available.</p> <p>21.5 Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 21.2 without the application of penalties.</p> <p>21.6 Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without canceling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.</p> |
| 22. Penalties | 22.1 Subject to GCC Clause 25, if the supplier fails to deliver any or all of |

the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC Clause 23.

**23. Termination
for default**

23.1 The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:

- (a) if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2;
- (b) if the Supplier fails to perform any other obligation(s) under the contract; or
- (c) if the supplier, in the judgment of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

23.2 In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminated.

23.3 Where the purchaser terminates the contract in whole or in part, the purchaser may decide to impose a restriction penalty on the supplier by prohibiting such supplier from doing business with the public sector for a period not exceeding 10 years.

23.4 If a purchaser intends imposing a restriction on a supplier or any person associated with the supplier, the supplier will be allowed a time period of not more than fourteen (14) days to provide reasons why the envisaged restriction should not be imposed. Should the supplier fail to respond within the stipulated fourteen (14) days the purchaser may regard the intended penalty as not objected against and may impose it on the supplier.

23.5 Any restriction imposed on any person by the Accounting Officer / Authority will, at the discretion of the Accounting Officer / Authority, also be applicable to any other enterprise or any partner, manager, director or other person who wholly or partly exercises or exercised or may exercise control over the enterprise of the first-mentioned person, and with which enterprise or person the first-mentioned person, is or was in the opinion of the Accounting Officer / Authority actively associated.

23.6 If a restriction is imposed, the purchaser must, within five (5) working days of such imposition, furnish the National Treasury, with the following information:

- (i) the name and address of the supplier and / or person restricted by the purchaser;
- (ii) the date of commencement of the restriction
- (iii) the period of restriction; and

(iv) the reasons for the restriction.

These details will be loaded in the National Treasury's central database of suppliers or persons prohibited from doing business with the public sector.

23.7 If a court of law convicts a person of an offence as contemplated in sections 12 or 13 of the Prevention and Combating of Corrupt Activities Act, No. 12 of 2004, the court may also rule that such person's name be endorsed on the Register for Tender Defaulters. When a person's name has been endorsed on the Register, the person will be prohibited from doing business with the public sector for a period not less than five years and not more than 10 years. The National Treasury is empowered to determine the period of restriction and each case will be dealt with on its own merits. According to section 32 of the Act the Register must be open to the public. The Register can be perused on the National Treasury website.

24. Anti-dumping and countervailing duties and rights

24.1 When, after the date of bid, provisional payments are required, or anti-dumping or countervailing duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favourable difference shall on demand be paid forthwith by the contractor to the State or the State may deduct such amounts from moneys (if any) which may otherwise be due to the contractor in regard to supplies or

services which he delivered or rendered, or is to deliver or render in terms of the contract or any other contract or any other amount which may be due to him.

25. Force Majeure

25.1 Notwithstanding the provisions of GCC Clauses 22 and 23, the supplier shall not be liable for forfeiture of its performance security, damages, or termination for default if and to the extent that his delay in performance or other failure to perform his obligations under the contract is the result of an event of force majeure.

25.2 If a force majeure situation arises, the supplier shall promptly notify the purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the force majeure event.

26. Termination for insolvency

26.1 The purchaser may at any time terminate the contract by giving written notice to the supplier if the supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the supplier, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the purchaser.

27. Settlement of Disputes

- 27.1 If any dispute or difference of any kind whatsoever arises between the purchaser and the supplier in connection with or arising out of the contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.
- 27.2 If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the purchaser or the supplier may give notice to the other party of his intention to commence with mediation. No mediation in respect of this matter may be commenced unless such notice is given to the other party.
- 27.3 Should it not be possible to settle a dispute by means of mediation, it may be settled in a South African court of law.
- 27.4 Mediation proceedings shall be conducted in accordance with the rules of procedure specified in the SCC.
- 27.5 Notwithstanding any reference to mediation and/or court proceedings herein,
- (a) the parties shall continue to perform their respective obligations under the contract unless they otherwise agree; and
 - (b) the purchaser shall pay the supplier any monies due the supplier.

28. Limitation of liability

- 28.1 Except in cases of criminal negligence or willful misconduct, and in the case of infringement pursuant to Clause 6;
- (a) the supplier shall not be liable to the purchaser, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the supplier to pay penalties and/or damages to the purchaser; and
 - (b) the aggregate liability of the supplier to the purchaser, whether under the contract, in tort or otherwise, shall not exceed the total contract price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment.

29. Governing language

- 29.1 The contract shall be written in English. All correspondence and other documents pertaining to the contract that is exchanged by the parties shall also be written in English.

30. Applicable law

- 30.1 The contract shall be interpreted in accordance with South African laws, unless otherwise specified in SCC.

31. Notices

- 31.1 Every written acceptance of a bid shall be posted to the supplier concerned by registered or certified mail and any other notice to him shall be posted by ordinary mail to the address furnished in his bid or to the address notified later by him in writing and such posting shall be deemed to be proper service of such notice
- 31.2 The time mentioned in the contract documents for performing any act after such aforesaid notice has been given, shall be reckoned from the date of posting of such notice.

REQUEST FOR PROPOSALS:

To appoint not more than five (5) registered audit or accounting firms to conduct basic and comprehensive project due diligence, project inspections, project claims/expenditure verifications and development of **the dtic** compatible cash flow and contingent liability management systems for incentive schemes and or funds administered by the Incentives Branch of **the dtic**.

NOTE: Should a vendor have reason to believe that the Terms of Reference are not open to promote competition or that it is written based on a particular brand/product/entity; the vendor shall notify the Bid Office of **the dtic** within ten (10) calendar days after publication of the bid.

PLEASE READ THE BELOW AUTOMATIC DISQUALIFICATION:

SERVICE PROVIDERS THAT ALREADY PROVIDE AUDIT SERVICES TO THE DEPARTMENT OF TRADE INDUSTRY AND COMPETITION (the dtic) ON BEHALF OF THE INTERNAL AUDIT BRANCH OF the dtic, MAY NOT SUBMIT A PROPOSAL FOR THIS BID DUE TO CONFLICT OF INTEREST.

SERVICE PROVIDERS THAT WILL BE APPOINTED TO THIS CONTRACT WILL THEREFORE ALSO NOT BE ALLOWED TO SUBMIT PROPOSALS FOR TENDERS ADVERTISED BY the dtic's INTERNAL AUDIT BRANCH WHILE STILL PROVIDING SERVICES IN LINE WITH THIS TERMS OF REFERENCE.

1 PURPOSE

1.1 The purpose of the project is for the appointed Service Providers to:

- 1.1.1 Conduct project verification and due diligence for incentive schemes and or funds administered by the Incentive Branch (IB).
- 1.1.2 Enhance current cash flow and contingent management systems in line with incentive/fund guidelines.

2 BACKGROUND

- 2.1 IB is an integral part of **the dtic's** value chain entrusted to stimulate and facilitate the development of sustainable, competitive enterprise through the efficient provision of effective and accessible incentive measures that support national priorities.
- 2.2 In accordance with the strategic objective, **the dtic** is implementing the following spectrum of incentive schemes:

- 2.2.1 *Manufacturing Competitiveness Enhancement Programme (MCEP),*
- 2.2.2 *Global Business Support (GBS),*
- 2.2.3 *Automotive Investment Scheme (AIS),*
- 2.2.4 *Business Process Services Incentive Programme (BPS),*
- 2.2.5 *Film Production Incentive Scheme,*
- 2.2.6 *Capital Projects Feasibility Programme (CPFP),*
- 2.2.7 *Critical Infrastructure Programme (CIP),*
- 2.2.8 *Incubator Support Programme (ISP),*
- 2.2.9 *Aqua culture Development and Enhancement program (ADEP),*
- 2.2.10 *Support Program for Industrial Development (SPII),*
- 2.2.11 *Technology and Human Resources for Industrial Program (THRIP),*
- 2.2.12 *Special Economic Zones (SEZ),*
- 2.2.13 *Black Industrialist Scheme (BIS),*
- 2.2.14 *Other new incentive schemes being developed.*
- 2.2.15 *Other schemes that existed that may still require action.*

- 2.3 Small, Medium and large business access the incentive scheme/fund by applying for participation in accordance with specific criteria relevant to each scheme/fund, where after departmental adjudication committees consider their applications for approval. Once an approval is granted, a commitment is created whereby **the dtic** will provide financial assistance in turn of specific performance of participants or approved projects, according to the conditions of the incentive schemes.
- 2.4 The nature of the scheme/fund implies that expenses, in the form of claim payments be incurred by approved projects, **the dtic** may be required to disburse such claim payment.
- 2.5 Cash flow and contingent management forms an integral part of efficient and prudent utilisation of funds to ensure 100% expenditure.
- 2.6 Other projects are planned in such a manner that they are not completed within the financial year when they were approved leading to the Department accumulating contingency liability, and therefore requires a system to manage and minimise contingent liabilities.

3 OBJECTIVES

- 3.1 To conduct basic and comprehensive due diligence verification procedures in line with incentive/fund guidelines.
- 3.2 To conduct desktop investigations and/or onsite inspections encompassing the performance of due diligence and/or verification procedures of specific

performance conditions by independent registered auditors; which must provide management with reasonable level of assurance that specific performance to the conditions of the incentive scheme/fund guidelines are met by projects, prior to the approval of applications and payment incentive/fund claims via a finalised due diligence and/or factual finding report.

- 3.3 Assess risk mitigation factors and management systems align to incentive project payment, project inspections (both physical and desktop), investigation, onsite inspections and to make recommendations for standard operating procedures.
- 3.4 Provide technical advisory services relating to incentive management which include review of incentive cashflow management assessment and contingent liability reporting.

4 METHODOLOGY

- 4.1 The bidders are expected to outline and explain the methodology that will be used to conduct project basic and comprehensive due diligence, project inspections, project claims verifications, cash flow and contingent liability management for incentive schemes and or funds administered by IB.
- 4.2 It will be imperative for the Service Providers to outline in the methodology why a particular method has been chosen, what the pros, cons and risk factors are.

5 SCOPE OF WORK

The appointed service providers will undertake the following on an as and when required basis across all clusters of incentive schemes:

- 5.1 Compile basic and comprehensive due diligence procedures based on current incentive schemes/fund's guidelines and criteria.
- 5.2 Review current verification procedures as well as site /inspections report for current incentive scheme/funds, in order to compile consolidated verification procedures. Where new incentives/funds are developed, the guidelines and all relevant documents must be analysed in order to compile verification procedures.
- 5.3 The service provider should analyse all relevant documentation e.g. application form, project summary, the approval letter, claim form, asset registers, agreements, minutes, special conditions, black economic empowerment certificates, tax compliance, financial statements, invoices, delivery notes, employee records, unemployment insurance, fund documentation, zoning certificates, relevant licences, compliance certificates, lease agreements, production records, consulting engineer's report, foreign investment grant

documentation etc. anything that is deemed necessary in the performance of the due diligence and/or verification procedures.

- 5.4 The procedures will include cross casting, inspection, obtaining, enquiring, certifying, agreeing, calculating and recalculating to confirm the information presented by the project on the incentive /fund application and claim form and supporting documentation. In certain instances, the auditors will also be required to perform Computer Assisted Audit Techniques (CAAT'S) and/or utilise other processes or systems etc, as well, utilise necessary expertise such as consulting engineers etc in order to finalise the verification.
- 5.5 Perform due diligence and/or verification procedures as agreed with **the dtic** through desktop investigations and/or onsite inspections. Finalise the due diligence and/or factual findings report with a recommendation to support or not to support the project, must be returned to **the dtic** at most 14 working days from **the dtic's** request but the exact number of days will be agreed upon in the engagement letter to be signed upon work allocation, along with all supporting documentation that may be collected during the onsite inspection.

10 SPECIAL CONDITIONS

10.1 Service Level Agreements will be signed with the successful bidders before work commences.

10.2 Work will be allocated on an as and when requirement. No work is guaranteed under this contract.

10.3 For all the spectrum of incentive schemes programmes (mentioned under background) **the dtic** will be appointing up to five (5) service providers with the capability to undertake the work across any scheme or fund in order to accommodate for volumes when the services are required. Work will be allocated on an as and when required basis. Work will be rotated between the appointed service providers by giving the first assignment to the bidder that scored the highest final score on price and preferential points during evaluation and the second assignment to the bidder with the second highest final score and on the third assignment to the bidder that scored third highest points, the fourth assignment to the bidder that scored fourth highest points and the fifth assignment to the bidder that scored fifth highest points. The rotation process will be repeated in the same sequence for as long as services are required. An equal distribution of work cannot be guaranteed as project readiness to claim is dependent on milestones which are dependent on among other economic conditions. The rotation method will be applied for all incentive programmes mentioned under background on page 2 of the ToR. Orders will be placed as and when there is a requirement.

10.4 Firms should be in good standing with their regulatory bodies without any pending actions.

- 10.5 **Bidding companies that apply for any of the incentive schemes or funds or assist 3rd parties with their applications for such incentive programmes will not be allowed to place a bid to deliver these services due to conflict of interest concerns. Therefore, bidders who submit proposals for this bid must ensure that they in no form or instance form part of or are linked to (in any form whatsoever) to an entity that received assistance via any the dtic incentive schemes or fund. BIDDERS WILL BE REQUIRED TO SUBMIT TOGETHER WITH THEIR BID DOCUMENT A CERTIFIED AFFIDAVIT TO CONFIRM THEIR COMPLIANCE WITH THIS REQUIREMENT.**

The bidding companies will also be requested to state under oath / confirm that they have not performed any functions on behalf of **the dtic** applicants.

BIDDERS WHO FAIL TO COMPLY WITH THE ABOVE WILL AUTOMATICALLY BE DISQUALIFIED.

- 10.6 Proposed key staff members must participate actively and be available to perform services in accordance with the contract. In instances where a proposed key staff member is not available to perform services at a specific period in time, the bidder will be responsible to provide a replacement with similar qualifications and experience in order to guarantee the same standard of work to **the dtic**. Each team member's role must be clearly outlined in the project plan.
- 10.7 As previously indicated **the dtic** reserves the right to vet all qualifications and other documentation provided by bidders to prove relevant qualifications, experience and expertise prior to the appointment of a Service Provider;
- 10.8 Copyright and intellectual property rights to all documentation, reports etc. that emanate from this assignment will vest with **the dtic**.
- 10.9 This bid and all contracts emanating there from will be subject to the General Conditions of Contract issued in accordance with Treasury Regulation 16A published in terms of the Public Finance Management Act, 1999 (Act 1 of 1999). Special Conditions of Contract are supplementary to that of the General Conditions of Contract. Not all bids will contain special conditions of contract. Where, however, the Special Conditions of Contract are in conflict with the General Conditions of Contract, the Special Conditions of Contract prevail.
- 10.10 Bids received after the closing date and time, at the address indicated in the bid documents, will not be accepted for consideration and where possible, be returned unopened to the bidder.
- 10.11 Bidders' attention is drawn to the fact that amendments to any of the Bid Conditions or setting of counter conditions by bidders may result in the invalidation of such bids.

- 10.12 The State reserves the right to conduct supplier due diligence prior to final award or at any time during the contract period. This may include site visits.
- 10.13 The Bid Office Officials of **the dtic** may communicate with bidders where clarity is sought after the closing date of the bid and prior to the award of the contract, or to extend the validity period of the bid, if necessary.
- 10.14 All communication between the bidder and the Bid Office Officials of **the dtic** must be done in writing.
- 10.15 Bidders must ensure that they are registered on the Central Supplier Database of the National Treasury as this is compulsory in order for bidders to be considered for bids.
- 10.16 Bidders must ensure that their tax matters are in order in line with the Preferential Procurement Policy Framework Act and the Treasury Regulations.
- 10.17 Bidders' whose tax matters are not declared to be in order will be disqualified.
- 10.18 Bidders' attention is drawn to the tax requirements stated on the SBD 1 form.
- 10.19 Where applicable acceptance of a bid will be subject to the condition that both the contracting firm and its personnel providing the service must be cleared by the appropriate authorities to the level of CONFIDENTIAL/SECRET/TOP SECRET (whichever one is stipulated in the relevant specification / ToR). Obtaining a positive recommendation is the responsibility of the contracting firm concerned. If the principal contractor appoints a subcontractor, the same provisions and measures will apply to the subcontractor. Acceptance of the tender is also subject to the condition that the contractor will implement all such security measures as the safe performance of the contract may require." (Minimum Information Security Standards. Chapter 5).
- 10.20 The points scored for functionality, price and preferential procurement points will be rounded off to the nearest 2 decimals.
- 10.21 In cases where the tender invitation is subject to a pre-qualification requirement based on sub-contracting, then it is the responsibility of the tenderer to select competent sub-contractors that meet all the requirements of the tender in order to ensure that the bidders tender is not jeopardized by the subcontractor during evaluation. Bidders are responsible for all due diligence on their subcontractors.
- 10.22 In cases where above market related prices are quoted the right is reserved to negotiate with the three preferred bidders (three highest on final points for price and preferential procurement points).
- 10.23 Bidders to take note that the award of the tender may be subject to price negotiation with the preferred bidder.
- 10.24 This bid is subject to the PPPF and its Regulations and **the dtic's** SCM Policy.

- 10.25 In case of consortiums and joint ventures, bidders must submit concrete proof of the existence of joint ventures and/or consortium arrangements. **the dtic** will accept signed agreements as acceptable proof of the existence of a joint venture and/or consortium arrangement.
- 10.26 The joint venture and/or consortium agreements must clearly set out the roles and responsibilities of the Lead Partner and the joint venture and/or consortium party. The agreement must also clearly identify the Lead Partner, who shall be given the power of attorney to bind the other party/parties in respect of matters pertaining to the joint venture and/or consortium arrangement.
- 10.27 Regulation 13 (c) of the Public Service Regulations 2016 determines that an employee shall not conduct business with an organ of state or be a director of a public or private company conducting business with an organ of state unless such employee is in an official capacity a director of a company listed in schedule 2 and 3 of the Public Finance Management Act. As this regulation prohibits public service employees from conducting business with an organ of state; either in a personal capacity or as a director of a private or public company, non-compliance with this regulation will lead to automatic disqualification of a bid.

the dtic reserves the right:

- 10.28 To award this tender to a bidder that did not score the highest total number of points, only in accordance with section 2(1)(f) of the PPPFA (Act 5 of 2000).
- 10.29 To negotiate with one or more preferred bidder(s) identified in the evaluation process, regarding any terms and conditions, including price without offering the same opportunity to any other bidder(s) who has not been awarded the status of the preferred bidder(s).
- 10.30 To accept part of a tender rather than the whole tender.
- 10.31 To carry out site inspections, product evaluations or explanatory meetings in order to verify the nature and quality of the services offered by the bidder(s), whether before or after adjudication of the Bid.
- 10.32 To correct any mistakes at any stage of the tender that may have been in the Bid documents or occurred at any stage of the tender process.
- 10.33 To cancel and/or terminate the tender process at any stage, including after the Closing Date and/or after presentations have been made, and/or after tenders have been evaluated and/or after the preferred bidder(s) have been notified of their status as such.
- 10.34 Award to multiple bidders based either on size or geographic considerations.
- 10.35 Bidders will be afforded an opportunity to pose questions up to 7 calendar days after the date of advert (e.g. if bid is advertised on the 10th of a month the 17th till

24h00 will be the last date and time to pose questions). Questions raised will NOT be responded to one by one. The Bid Office of **the dtic** will respond to all questions posed within three working days after the 7 calendar days afforded to pose questions. The response(s) will be provided by means of an addendum to the original advertisement and advertised on the e-tender portal of National Treasury as well as **the dtic's** website where the tender invitation is posted.

- 10.36 If the bidder failed to comply with any of the administrative pre-qualification requirements, or if **the dtic** is unable to verify whether the pre-qualification requirements are met, then **the dtic** reserves the right to –
- 10.37 Accept the bid for evaluation, on condition that the bidder must submit within fourteen (14) calendar days any supplementary information to achieve full compliance, provided that the supplementary information is administrative and not substantive in nature.
- 10.38 Incomplete price will lead to automatic disqualification as it will not be possible to compare the price with other bid prices.
- 10.39 Pricing figures and pricing in words must be the same. Any discrepancy in these two will result in the pricing in figures will be deemed the price and will be used for comparison and contract purposes.

11 PRICE

- 11.1 The bid price is based on hourly rates of the proposed team.
Bidders must complete the standard bidding document SBD 3.3, which clearly stipulates the detailed requirements for pricing. The prices must be for a period of three years and **must be firm**. Three firm prices will therefore be required, one for each year of the contract per proposed key staff.

BIDDERS WHO SUBMIT FINANCIAL PROPOSALS BASED ON NON-FIRM PRICES WILL AUTOMATICALLY BE DISQUALIFIED.

- 11.2 The bid price must be inclusive of VAT and quoted in RSA currency.
- 11.3 Consultants remuneration may only be in accordance with the following prescribed rates:
 - 11.3.1 Rates as determined in the “guidelines for fees”, issued by the South African institute of Chartered Accountants (SAICA), or
 - 11.3.2 Rates set out in the “Guide on Hourly Fees Rates for Consultants”, by the Department of Public Service and Administration (DPSA); or
 - 11.3.3 Rates as prescribed by the body regulating the profession of the consultant, e.g. Law Society of South Africa.

The above-mentioned rates will be the maximum acceptable rates.

- 11.4 Accommodation costs will be limited to a maximum of **R1 530** per person per day.
- 11.5 For travelling by road the rates per kilometre may not exceed the rates as approved by the Automobile Associate of South Africa.

- 12.1 **the dtic** Project Manager will serve as contact person on all matters relating to the project.
- 12.2 **the dtic** Project Manager will review, evaluate and approve the services provided by the Service Provider against the Service Level Agreement on an ongoing basis and prior to payment made.
- 12.3 **the dtic** will supply all reasonable, relevant, available data and information required and requested by the Service Provider for the proper execution of the service and such assistance as shall reasonably be required by Service Provider in carrying out their duties under this contract.

13 SERVICE PROVIDERS OBLIGATIONS

- 13.1 The service Provider undertakes to act as an independent contractor in respect of the work.
- 13.2 To work closely with the Project Manager responsible for the project in **the dtic**;
- 13.3 Attend meetings when required by the Project Manager for the purpose of obtaining information or advice with regards to the work and assignment or any matter arising from or in connection therewith.
- 13.4 The Service Provider will be responsible for its own computers and technical literature to adequately perform all the functions.
- 13.5 The Service Provider must exercise all reasonable skill, care and diligence in the execution of the work and shall carry their obligation in accordance with professional standards.
- 13.6 The Service Provider must in all professional matters act as faithful advisor to **the dtic**, as well as respecting the laws and customs of any country and provinces in which any business in relation to the project concluded.
- 13.7 All information availed to the Service Provider in accordance with the course of the project must be deemed confidential and remain in the property of **the dtic**;

- 13.8 The Service Provider will be required to sign a confidentiality declaration form, undertaking to keep all the information at his/her disposal as a result of being awarded the contract by **the dtic** strictly confidential.
- 13.9 The Service Provider must not disseminate any information gathered during the conduct of the project, publicize or release media statement in relation to the assignment.
- 13.10 Any information gathered during the conduct of the assignment is the property of **the dtic** and may not be distributed without prior written approval of **the dtic**.
- 13.11 The Service Provider will be deemed to have been satisfied as to the correctness and sufficiency of the rates and prices set out in their bid for the services to be rendered.
- 13.12 The Service Provider must plan and provide for all possible risks that may affect the delivery of the project on time and indicate what mechanisms are in place to manage such risks.

14 BID EVALUATION CRITERIA

- 14.1 The 80/20 principle and two envelope / file system will apply in evaluating the proposals in accordance with the Preferential Procurement Policy Framework Act: no 5 of 2000 its subsequent Regulations and **the dtic** SCM Policy / Preferential Procurement Policy. The reason for applying the two envelop /file system is to ensure that price does not influence the evaluation of the functional proposals.

14.2 Two Envelope System

- 14.2.1 The two-envelope system is based on the submission of the functional and financial proposal in two separate envelopes. **NO** financial/pricing information may be contained in the functional envelope **as this will lead to automatic disqualification**. Submission must be done as follows:

14.3 Functional Proposal

- 14.3.1 Bidders must submit their functional proposal in a sealed envelope / file with the name of the bidder, closing date and time and the bid number clearly indicated on the envelope / file. This envelope / file should only contain the functional proposal and compulsory forms; SBD 1, 4; 6.1 and General Conditions of Contract as well as the relevant proof to substantiate claims for preference. **NO financial / pricing information. Financial / pricing information in a functional proposal will lead to automatic disqualification of that specific proposal.**

14.4 Financial proposal

14.4.1 The financial proposal, SBD 3.3, must be submitted in a **SEPARATE** sealed envelope / file with the name of the bidder, closing date and time and the bid number clearly indicated on the envelope.

14.5.1 All proposals will be evaluated in terms of the two-phase process once the pre-qualifying of bids received is done. All bid proposals received are subject to a prequalification process to determine compliance with compulsory requirements / conditions. All bids that pass the pre-qualification process will then be evaluated as follows:

14.6 **First phase: Functional evaluation.** This evaluation is based on the functional proposal submitted in envelope one (functional envelope) for this phase there is a cut-off score of 60% and only the proposals that score 60% and above during the functional evaluation will be considered during the second phase of evaluation. Functional evaluation is performed on compliance with the set criteria in the below evaluation criteria matrix.

14.7 **Second phase: Price and preferential procurement.** During the second phase all Bids that scored 60% and above during the functional evaluation will be considered for the second phase where points will be calculated for price and preferential procurement goals in accordance with the latest PP Regulations pertaining to the Preferential Procurement Policy Framework Act, Act no 5 of 2000 and the **dtic** SCM Policy / Preferential Procurement Policy.

14.8 Up to the five (5) bidders that score the highest points on price and preferential scores, that successfully reached the last phase of the evaluation process, will be appointed to perform the work in any incentive scheme or fund as mentioned earlier.
