<u>Comment/s supporting the recommendation</u>		
The BAC ratifies the approval that was granted by the DG in November 2021. Recommended to National Treasury on condition that the motivation be amended to clearly outline reasons for single source as this transaction does not constitute natural continuation of work. National Treasury to also confirm if GTAC is permitted to participate in open and competitive bidding invitations by Government.		
BAC: CHAIRPERSON		02 February 2022
